Withdrawal or Cancellation of Enrolment

Parents are required to provide a minimum of one term’s notice in writing if they choose to cancel the enrolment of their child.

A term is defined as a unit of academic time comprising a variable number of weeks in any given year as identified in the school calendar. There are four terms in any academic year. Notice of intention to withdraw on the last day of a term should be received by the Registrar on the first day of that same term. A term does not include school holiday time nor is it an equivalent number of weeks that traverses two terms.

If a parent fails to provide written notice of one term, as required and outlined above, fees for the subsequent/next term will be charged.

Should a student’s behaviour result in expulsion, both the current and next term’s fees will be payable. For example, if a student is expelled or withdrawn without appropriate notice during Term 2, fees for both Term 2 and Term 3 will be required.
