INVESTITURE OF STUDENT LEADERS 2014
Kim Dixon
Enterprise@rggs.qld.edu.au

The formal Investiture of the Girls Grammar Student Leaders for 2014 was held on Thursday 13 February 2014.

The entire school gathered to celebrate and honour the Senior students and the elected leaders from Year 4 through to the Prefects in Year 12.

The new Head Girls were announced and given their historic badges: Helen E Downs Prefect Shinae Haidley and Prue McKeague Prefect Loretta Hicks.

21 Prefects received their badges of office. Each Prefect takes responsibility for a School House, Council (Senior, Middle, Primary, Boarding & ATSI) or an initiative including, Agricultural Science, Dance, Drama, Environment, Expressive English, History, Library, Mathematics, Music, Science and Visual Art.

The guest speaker Nicola Cole was the 2013 Girls Grammar Dux of the School. She gave a thoughtful address and inspired the students to “live within the exclamation mark”. Once the formalities were over, the senior students and their families gathered for an informal afternoon tea at the school in the historic Paterson Hall.

This event was followed by the Regional Investiture at St Joseph’s Cathedral where many regional schools presented their leaders to a crowded Cathedral of well-wishers.

LITTLETON PLAZA & MCKEAGUE HALL UP-GRADE
Rob Fay
FacilitiesManager@rggs.qld.edu.au

Since it opened over 120 years ago, many buildings have been constructed on the extensive grounds around historic Paterson House.

One of these buildings is McKeague Hall which opened in 1969. Mrs Clarice McKeague was the first female trustee of the School, a past student, a parent and a tireless supporter of Girls Grammar. The hall named in her honour is being completely refurbished this year.

New community spaces, a Drama studio, social areas and learning spaces are taking shape. We are transforming a loved but tired building into a 21st century learning hub. The refurbishment will enlarge the stage for performances, seat 350, improve acoustics, improve modern lighting, air conditioning and the latest audio visual technology.

The new entrance on Agnes Street will feature local sandstone. The new deck will have views to the historic Paterson House and the city. The new Littleton Plaza Drama space provides both an indoor and outdoor forum for classic and modern dramatic performance. The larger stage will accommodates the Girls Grammar Dance Company and Sport Aerobic groups without compromise.

While the initial stages have been preceded by years of preparatory work, the physical changes are happening fast. The interiors are largely installed, a huge air conditioning plant is ready for commissioning. The exteriors will change dramatically during March.

Littleton Plaza will open in April this year. It is a new outdoor–indoor teaching area in the heart of the School. Littleton Plaza links today’s learning experience to the 19th Century Heritage of the school’s beginnings. This tranquil social space in the heart of the Girls Grammar grounds will connect the McKeague and Luck Buildings and will incorporate the named pavers purchased by many families in 2013.

Max and Margaret Littleton made an extremely generous gift for the construction of Littleton Plaza, in memory of their daughter and granddaughter. The School is humbled to be the recipient of one of the largest gifts donated to any organisation in Queensland in 2013.

SCHOOL PHOTO DAY
James Lye
DirectorStudents@rggs.qld.edu.au

School photos will be taken on Wednesday 5 March. The school has engaged MSP Photography to create our school photographic records for 2014.
On photo day, **every child will be photographed** regardless of whether choose to purchase the photos.

Families will have received an order envelope from the photographers. Please take care to read and follow all the instructions carefully. This will ensure your order is processed smoothly and efficiently and will help you to avoid late fees. 

Students must have their envelope and payment with them to hand to the Photographer on Wednesday March 5.

Individual photographs will be taken in Mouritz Multipurpose Hall (MMPH) followed by Year Group photographs. It is essential that all students are prompt and in full FORMAL uniform. No make-up is permitted and hair must be neat, tidy and tied up if longer than collar length.

Students should have the white hair ribbon, school tie, and socks (not stockings) for the photos. Please refer to Student & Parent Handbook (Page 42/43) or in the Student Planner on (Page 13) for further details.

Additional order envelopes are available from Mr Lye, Director of Student Wellbeing for **separated parents, blended families and grandparents**. These need to be collected on or before photo day. Be sure to write “Mum’s order” or “Dad’s order” on top of your envelope if you have multiple orders.

To **order a sibling photo**, please collect a sibling envelope from the school office on or before photo day, or order it online at least 24 hours in advance. **Please note: Sibling photos are only for siblings attending the school together.**

**YEAR 12 FORMAL WALK THROUGH**

All students and School families are invited to watch the Year 12 students at their Formal Walk-Through at School. This will be held in the Maud Bendall CAB undercover area, with the first car arriving at 4.00pm. The Walk-Through will conclude at 5.30pm.

**UNIFORM REMINDER**

It has been a wonderful start to 2014. Walking around the grounds to see all of the smiling faces, hearing the chatting and the laughter, and seeing the girls wearing their uniform. There are probably a few things that the students need to be reminded about in relation to the correct uniform.

All in or All out of Uniform: The uniform needs to be worn perfectly or not at all. Students should change completely out of uniform in preference to mixing and matching items of uniform. The only exception to this is that the HPE shirt may be worn with casual pants when not attending School or at casual school functions such as leadership retreats or weekend shopping.
Hair:

Hair styles should be neat and appropriate for a work environment. Long hair (covering collar) should be tied up with navy ribbon or hair tie. Multiple or obviously unnatural hair colours (including excessively blonde or dark), hair extensions, beading or excessive braiding, are not permitted with the School uniform. The Principal will determine whether hair colour is acceptable and may direct students to adjust their hair colour.

Jewellery / Make-up and nail polish / enhancements:

Make up, nail polish and false nails are not to be worn to school. A simple watch and one pair of sleepers or studs (plain gold, silver or pearl), to be worn in the lower lobe of the ear only. Religious talismans may be worn under the dress on a long chain. No visible additional body piercing is permitted.

These uniform expectations and more detail can be found in the Parent/Student Handbook on pages 42 and 43, and in the Student Planner on page 13.

GAIA FESTIVAL & OPEN DAY
Kim Dixon
EnterpriseManager@rggs.qld.edu.au

‘Gaia’ is the Greek Earth Mother Goddess. She lends her name to the Rockhampton Girls Grammar Gaia Festival which honours and celebrates the wonderful creativity and significant contributions that women have made to the Rockhampton community.

On a Saturday 24 May over 70 market stall holders will display their handcrafted treasures and visitors can purchase clothing, exquisite jewellery, millinery creations, artwork, organic skin care products, candles and perfumes. Tantalising foods will be available including Devonshire teas, sausage sizzles and pizza.

Entertainment throughout the Festival will include dance, drama, fashion parades, rock bands and choir performances. Younger visitors will receive an ‘Activity Quest’ which invites them to complete Science, Art and Physical Activity challenges across the Festival venue.

The 2014 Rockhampton Gaia Festival is on Saturday 24 May, opening at 10.00am until 2.00pm. Parents are warmly invited to participate in our annual Festival. If you have a great stall or entertainment idea please make contact on 4930 0964. Let’s make 2014 Gaia Festival and Open Day bigger and better!

PRIMARY NEWS
Scott Fuller
DirectorPrimary@rggs.qld.edu.au

It has been a wonderful start for our Primary students. They are comfortably settling-in to the challenges that a new year brings and they are joyfully engaged in their learning.

The Primary staff have skilfully managed the return to school and its routines. The girls are now very comfortable in the rhythm of the school day. We look forward to them extending their learning and understanding over the coming weeks.
2014
2014 will be an exciting year at our school with the focus being on consolidating our already excellent numeracy and literacy skills. Students in Year 4, 5 and 6 receive a personal laptop computer. In 2014 the school will provide two laptop computer trolleys that will be shared between Prep and Year 1 in the Early Learning Centre and Year 3 & 4 in the Discovery Centre. All Primary students now have access to a laptop computer under the direction of their classroom teacher.

OPEN COMMUNICATION
It was a great pleasure to welcome so many of our families to our Primary Open Evening on Tuesday February 11. It was an excellent opportunity to meet the Primary team and your daughter’s teacher. If you were unable to attend this evening, please feel very welcome to contact us. As we mentioned on the night, parents are always encouraged to contact teachers and the school at any time. Nothing is more powerful in the learning success of young people than open communication between home, the teacher/school and the student.

YEAR ONE
Corinne Shaw
CorinneShaw@rggs.qld.edu.au

A fairy door and garden are a magical new addition to the Year One classroom this year! Girls have already enjoyed receiving letters from the fairies, which are delivered through the classroom post box. They have written replies and have asked lots of questions of the fairies and hope to discover some of the secrets of the fairy folk throughout the year.

AGRICULTURAL SCIENCE
Ku Lacey
KuLacey@rggs.qld.edu.au

We have seen a steady growth in numbers of girls choosing to study Agriculture. This is an encouraging sign, as it reflects that many young people are very interested in the production of their food and natural fibres! Agriculture is something that impacts every person, every day. The Year 12 students are analysing soils and their impact on production systems, Year 11 students are studying the anatomy and physiology of plants and animals and the Year 9/10 students are using technology to analyse data in order to understand how to improve current agricultural practices.

There are many exciting things afoot in Agriculture at Girls Grammar. We will be getting
chickens on site again, there will be sunflowers popping their heads up around the Agriculture Garden and also in the garden at the Discovery Centre. We will be participating in the Cows Create Careers program again in Term 3, when we will have 2 calves on site for 1 month.

The arrival of our mini farm shed is imminent and once that is constructed we hope to have lowline heifers enjoying their new home. As was advertised in the last newsletter, if anyone is interested in assisting to further our program please feel encouraged to contact me on the email address above.

LIBRARY PREFECT
I would like to extend my congratulations to Ashleigh Collette on her selection as 2014 Prefect for the Library Committee.

TEXTBOOKS
All students in Years 7-12 should now have all subject related textbooks. Remember these items are on loan to you and you are solely responsible for the treatment/condition/returns. Please read the terms and conditions of textbook hire.

STUDY LESSONS - Mulder Library Resource Centre
The Year 11 & 12 girls have settled into these lessons quite well and this opportunity provides girls with independent, silent working time to extend, catch up and revise their chosen subjects. Girls Grammar students have so far shown great maturity, in the way of peer respect to those working silently & independently.

Library Lessons
Prep – Monday, Lesson 5, 1.20pm
Getting to know the prep students during library time has been a wondrous experience. They are a friendly happy bunch of girls that love to read, share stories and love to be read to. The girls are learning very quickly how to return and borrow their library books. They are able to choose 2 books per week from the picture book area. First they must scan their own returned books, put books into the correct boxes, choose their new books, collect their library cards and come to the circulation desk for loans. Phew…ask your daughter and she will tell you this is how it’s done.

Year 1 – Thursday, Lesson 4, 11.16am
Amazingly the girls remembered exactly what to do in the library from the first day. After returning and borrowing new books the girls and I settle on the floor for some reading and activities related to the story. The girls are able to choose 2 books from the junior chapters, picture books or junior nonfiction areas.

Year 2 – Friday, Lesson 6, 2.10pm
Library class involves the girls returning, shelving, choosing and processing their individual items. The girls are able to choose 2 books each week.

Year 3 – Wednesday, Lesson 3, 10.25am
Excitement plus for this age group! Reading at this age is still very stimulating and adventurous. The girls are moving away from picture books into chapter books or the interesting world of nonfiction reading. The students are able to borrow up to 4 books per week.

Year 4 – Monday, Lesson 3, 10.25am
The girls are learning about shelving and keeping the shelves tidy and books in place in the Teen Fiction area of the library. They are responsible for returning and borrowing their own items, then settle into a period of silent reading. Year 4 can borrow up to 4 books per week.

Year 5 – Thursday, Lesson 5, 1.20pm
They are responsible for returning and borrowing their own items. These girls sure know how to get comfortable in their surroundings to disappear in the world of imagination. Items can be loaned from the teen fiction, nonfiction and junior reading areas. Year 5 can borrow up to 4 books per week.
Year 6 – Wednesday, Lesson 3, 10.25am

They are responsible for returning and borrowing their own items, then settle into a period of silent reading. The areas of selection are from teen fiction novels, nonfiction and the junior reading area. Year 6 can borrow up to 6 books per week.

AFTERSCHOOL SECONDARY MATHEMATICS SUPPORT PROGRAM
Melanie Brooks
MelanieBrooks@rggs.qld.edu.au

Do you want a great place to do your maths homework? Are you finding maths really challenging? Are you a bit behind and need to catch up? Do you have a maths exam coming up that you need to study for?

The Afterschool Secondary Mathematics Support Program provides drop in sessions for secondary students to get help with their study of mathematics. These sessions are from 3.00 pm to 4.00pm in the library on Mondays, Wednesdays, and Thursdays every week of term. Any student from any mathematics class from Years 7 to 12 may attend. Students can get help on any work from their regular class - current topics, catch up work, or even to get ahead.

Come do some maths with Mrs Brooks after school!

VISUAL ARTS
Nora Hanasy-Cheers
NoraHanasy-Cheers@rggs.qld.edu.au

The Visual Art students have started 2014 with lots of enthusiasm and pent up creativity. It is an exciting year for us as we are exhibiting at a number of venues this year including the Gaia Festival, the Laneway Café, the Emu Park Art Gallery and at our annual Excellence in Art Exhibition in Paterson Hall. Our Visual Art Prefect this year is Breanna Harms. Congratulations, we are all excited to have you in this role. These beautiful works have been created in the first few days in art this year.

Watch this space for more Art News!
YEAR 6 VISUAL ARTS

In Visual Art during Term 1 the focus is on developing drawing skills. To draw well, students first need to learn to see an object for what it is, not what they imagine it to be. Students need to take risks, trust their eyes, and resist the left side of their brain which often adjusts an image to suit preconceptions. These activities encourage students to observe more closely and notice actual shapes and detail.

Their first task was to draw the butterfly on the screen without looking at the paper until the drawing was finished. The second task was to draw it with a pencil in their mouth. The third challenge was to create the drawing using their feet. These techniques free students from concepts of perfection and stimulate freedom of expression. After a lot of giggles when they were asked to draw the butterfly with their dominant hand in five minutes. The results speak for themselves.

The girls thoroughly enjoyed viewing each other’s work at the end of the lesson as they all felt confident and were proud of their drawings, and it was lovely to hear them complimenting each other on how well they had done.

MUSIC

Christina Bond
ChristinaBond@rggs.qld.edu.au

Jessica Dawes
JessicaDawes@rggs.qld.edu.au

Instrumental Music is going from strength to strength at Girls Grammar with one quarter of all the students involved in private lessons and around fifty percent of the school involved in a musical ensemble.
Lessons are now underway with students either continuing learning their instruments or exploring the possibilities of a new instrument.

An urgent reminder to those who may still want to sign up for lessons, we will accept forms for the next week but there are limited places available.

We are welcoming new students to our ensembles and are currently auditioning students for the auditioned ensembles as well.

Ensemble rehearsals are underway, but new students are most welcome to join.

The Music Room open hours are 7.30am-4.45pm and students are welcome to use the pianos and drum kit as well as available practice rooms before and after school.

For enquiries about the ensembles or Instrumental/Vocal lessons please contact the Music Centre by phoning 49300958 or e-mailing ChristinaBond@rggs.qld.edu.au or JessicaDawes@rggs.qld.edu.au.

We look forward to nurturing your daughter's musical abilities in 2014.

ROWING
Robin Fay
facilitiesmanager@rggs.qld.edu.au

YEAR 8 LEARN TO ROW

This term all the Year 8s are learning to row as part of their PE Program. This will involve introductory sessions conducted at school and in the school pool. Later in the term when they have mastered the basic skills, they will progress to the river using the school rowing equipment.

Rockhampton Girls Grammar School was a pioneer of women's rowing in Queensland. Girls from RGGS represented Queensland in the Interstate Regatta of 1956 and there have been many Championship Highlights in 50 years of RGGS rowing teams. Year 8 students are given the opportunity to try this sport which requires different skills to many of the field sports.

Regatta competitions start in Term 2 taking place in Rockhampton and around the state. There will be opportunities for others in Year 7 to 12 to try rowing later in the year.

OSHC
Nadia Hoare
NadiaHoare@rggs.qld.edu.au

Welcome all our Rockhampton Girls Grammar girls and their families. We hope that you are all feeling refreshed after the Christmas break and energised for the exciting year ahead.

Over the Christmas holiday the girls attending vacation care, took part in some amazing activities that both entertained and stimulated them. The highlights were:

- Mad Hatters Tea Party
- The Teddy Bears Picnic
- Slip and Slide Day
- Cake Decorating Day

I am sure that each girl would have their own favourite day. Which they will remember and talk about for a long time to come.
As it is a new year with new possibilities, the staff of OSHC thought this would be a good time to make some changes to the afternoon routines, and introduce some new activities.

Activities such as Monday Sewing Club, Tuesday Art Club, Wednesday 3D Modelling/Sculpture Group, Thursday Beading Creations and Friday our Cooking Classes (which are fast becoming one of the most popular activities).

So far the changes appear to be well received from all those in attendance. These changes will allow the facility to continue to grow and flourish along with each girl's journey through 2014.

From all the OSHC staff at Rockhampton Girls Grammar we are looking forward to working with you to support your needs in 2014. There will be many fun times had down at OSHC this year and we are hoping to see many new faces come join in the fun.

HEALTH CENTRE
Linda Knowles
HealthCentre@rggs.qld.edu.au

Housekeeping

Please send in Medical Details Forms if you still have these at home. We are better able to provide health care for your daughter if we have current information. If your form is missing, let me know and I'll get another to you. We require Medicare card details, inclusive of the expiry date and your daughter’s reference number, to enable us to facilitate medical services for your child. The reference number is the number in front of your daughter’s name. If you any concerns regarding the privacy of your or your daughter’s information, please contact me on 49 300 929.

Also, for girls in Years 8 and 10 please return Vaccination Consent Forms. Receiving back the “no” consent forms helps with government statistical data, and lets me know that you have received the forms and chosen not to have your daughter vaccinated at school. If you need consent forms, let me know. Tentative dates for vaccinations are:

STUDENT ACHIEVEMENTS

CYCLING TO SUCCESS

Kayla Brady has achieved cycling success. After years of training, Kayla won a silver medal for the 500m cycling time trial at the Queensland Junior Track Championships at Chandler in January.

Kayla was a miniscule 0.1 seconds from winning Gold, and beat her previous best by just over six seconds. Together with many other junior and senior riders she will be racing at the CQUniversity Rockhampton Cup on Wheels at the Kenrick Tucker Velodrome this weekend.
P&F
Leonie Carroll
LeonieCarroll@rggs.qld.edu.au

The P&F Association would like to thank the previous Executive committee members Leonie Carroll, Greg MacKenzie, John Dargel, Pia Hughes and Kylie Dwyer for their hard work in 2013. We are pleased to announce the new elected P&F Executive Committee for 2014

President: Leonie Carroll
Vice President: Greg MacKenzie
Vice President: Sharon Coleman
Treasurer: Tracy Wone
Secretary: Leanne Chippendale

The Girls Grammar Parents & Friends Association do a wonderful job each year holding events and raising much appreciated funds for the School.

Membership does not mean you are required to come to committee meetings, but our insurance covers parents and friends who participate in working bees and functions for the School.

If you think you may be able to contribute at any time during the year please contact the office for a registration form.
