PURPOSE OF THE POLICY

The aim of this policy is to provide guidelines for the use of mobile phones at Rockhampton Girls Grammar School in order to provide:

- a safe learning environment free from inappropriate mobile phone use (including cyberbullying) or distractions.
- greater opportunities for positive social interaction and physical activity during out of class times.

SCOPE

These guidelines apply to all students at Rockhampton Girls Grammar School. It is the responsibility of students who bring mobile phones onto the school premises to adhere to the guidelines outlined in this document.

Parents are asked to support students and the school by not communicating with their daughters throughout the school day. Where a parent needs to talk to their daughter urgently, a message can be organised by calling or emailing Reception.

SECURITY

- Students are responsible for the security of their mobile phones by ensuring they remain securely locked in their lockers throughout the day or handed in at Student Services.
- The school accepts no responsibility for replacing lost, stolen or damaged mobile phones, whether at school, whilst travelling to and from school or when at school-sanctioned activities.
- Phones should be clearly marked with the student's name.
- The school recommends that students use password/pin numbers to ensure that unauthorised phone calls cannot be made on their phones. Students should keep their passwords/pin numbers confidential.

ACCEPTABLE USE

- Use of mobile phones during class time is prohibited, unless requested by the teacher with approval granted by Deputy Principal- Studies for educational purposes.
- Mobile phones should be switched off at all times while in lockers and students are in class.
- Use of phones during the school day will result in the phone being confiscated for the remainder of the school day. Repeated breaches may see permission to have the phone at school revoked. In an emergency situation Reception remains the appropriate means of communication between parents and students.

INAPPROPRIATE USE

It is a criminal offence to use mobile phones to menace, harass or offend another person. Under no circumstances are students permitted to use their phones to:

- engage in personal attacks or harass or bully another student, staff member or other individual;
- post private information about another person. This includes sending text messages or posting messages using any online platform;
- take or send photos, video, or audio of other students or staff members or post them online;
- use vulgar, derogatory or obscene language;
- engage in any activity or post any comments or messages that bring the school into disrepute.

Engaging in any of the above activities will result in immediate disciplinary action which could include reporting to the police.

Mobile phones are not to be taken into any exam venue. Any student/s caught using a mobile phone to cheat in exams or assessments will face disciplinary action as determined by the Principal.

PROCEDURES

PRIMARY SCHOOL STUDENTS (PREP TO YEAR 6)

Rockhampton Girls Grammar School discourages primary aged students from bringing mobile phones to school. Communication regarding illness, early pick up or emergent situations must be made through Student Services.

In the event a primary student requires a mobile phone:

- parents must put their request in writing to the Deputy Principal – Students.
- the phone must be handed in at Student Services upon arrival at school. The phone must be clearly labelled with the student's name.
- the student must collect the phone from Student Services at the end of the day.

SECONDARY STUDENTS (YEARS 7 – 12)

Rockhampton Girls Grammar School discourages secondary students from bringing mobile phones to school where possible. All communication between parents and students must be made through Student Services.

- Phones are handed in to the front office under the same conditions as above;

OR

- Phones are to be turned off and kept in the student's locker and are not to be used during the day for any reason. They may be turned back on at the conclusion of the school day when students are leaving school grounds.

Sports days, excursions, camps and any school-organised activities are treated as school days therefore mobile phones are not to be used during these activities.

- If the need arises to make a phone call, students should go to Student Services where they can make their call.

BOARDING SCHOOL STUDENTS

Year 6-9 students must hand their phones in to the supervisors before they leave the boarding house to attend school.

Phones may be collected after 3.00pm or at the end of the day's instruction. Mobile phones will be handed in for study and at bedtime. Students can collect their phones in the morning once dressed and ready for school.

Students may only have one phone at School.

Year 10-12 students may take their phones to school but will follow the expectations as laid out for the day school. Students may choose to leave them with the boarding supervisors.

Phones will be handed in for meals, study and at bedtime. Students can collect their phones in the morning once dressed and ready for school.

EXEMPTION – MEDICAL REASONS

An exemption to this policy will apply only for those students who have a medical condition, supported by written documentation provided by a medical professional such as a health plan, which clearly states the requirement of a mobile phone for health and safety reasons e.g. monitoring of blood sugar levels for diabetes.

Approval will then be given by a member of the Executive team.

BREACHES OF THIS POLICY

- In the first instance, the phone will be confiscated and given to the Deputy Principal - Students where the student can collect it at the completion of the school day.
- In the second instance, the phone will be confiscated and given to the Deputy Principal - Students for collection by the parent (day) or Head of Boarding (boarder).

- In the third instance, permission to carry a phone will be withdrawn for a period of time deemed appropriate by members of the Executive Team.
- Further breaches of the mobile phone policy will result in disciplinary action.
