1 The individuals who are party to a Confirmation of Enrolment Agreement with the School accepting financial responsibility are jointly and severally liable for the student's tuition fees and any other costs associated with the student's enrolment at the School. This means that each individual who signs the Student Enrolment Agreement accepting financial responsibility is personally liable for the full amount owed to the School. Where more than one individual signs the Student Enrolment Agreement accepting financial responsibility (for example, where both parents sign) the School may at its absolute discretion elect to pursue any signatory for the full amount owed.

Where the School is provided with a Court Order which provides for an alternate arrangement (as between the parents) for payment of the student's tuition fees and any other costs associated with the student's enrolment at the School, the School may act on the Court Order at its absolute discretion, to the extent permitted by law and will act in accordance with the Court Order as required by law.

2 Fees can be paid as follows:

- Annual payment in advance each year, for which a discount is available if fees are paid in full by the due date. This can be paid by Cash, EFTPOS, Credit Card in person, via telephone or Parent Lounge, BPAY, Direct Deposit, Cheque, Money Order or Direct Debt.
- Quarterly – four (4) equal instalments through the year for P-11. Fees for Year 12 are to be paid in three (3) equal instalments. This can be paid by Cash, EFTPOS, Credit Card in person, via telephone or Parent Lounge, BPAY, Direct Deposit, Cheque, Money Order or Direct Debt.
- Ten (10) Monthly equal instalments through the year for P-11. Fees for Year 12 are to be paid in eight (8) equal instalments. Direct debit facility is to be used for this option.
- Twenty (20) Fortnightly equal instalments through the year for P-11. Fees for Year 12

are to be paid in sixteen (16) equal instalments. Direct debit facility is to be used for this option.

- For other options please contact the Rockhampton Girls Grammar Finance Department.

Once the nomination is made, it will stay current for the duration of the year. During term 4 parents will be given the opportunity to nominate a change for the following year. If a change is needed, the Fee Instalment Nomination Form must be provided to the School before the end of term 4.

- 3 Where fees are not paid by the due date they will be considered overdue and will be subject to a \$200 per term administrative fee.

Should a direct debit default, a dishonour fee of \$15.00 will apply to each dishonour. If the default is not rectified within a week, the full amount will be considered overdue and point 5 (below) will apply. Normal debt collection process may also commence.

- 4 Overdue accounts will result in a review of the student's continuing enrolment. The School may, at its absolute discretion, terminate a student's enrolment where any tuition fees and charges levied by the School, including any fees and charges required to be paid prior to the student's commencement at the School, are overdue and remain unpaid. The rights and remedies of the School in this regard will not be prejudiced or affected by any time or other indulgence granted to the parents.

- 5 The School may, at its absolute discretion, enter a repayment arrangement in writing with parents with respect to overdue accounts. However, parents should not expect that a repayment arrangement will be made available to them. Where a repayment arrangement is not honoured, the overdue account will result in a review of the student's continuing enrolment, as set out above.

- 6 A student will not be permitted to attend co-curricular or sporting excursions, tours or camps unless all amounts owing to the School (including the costs associated with the excursion, tour or camp) have been paid in full by the date(s) any such amounts are required to be paid.
- 7 Legal costs incurred in the collection of outstanding fees and charges will be recoverable in addition to the Administration Charge. Any legal costs and any Administrative Charge will be recorded as separate items in fee account statements.
- 8 No allowances against fees will be made for late returns to school or absence during the term, including those due to disciplinary suspensions, or for the early completion of Year 12.
- 9 Discounts will be provided for fees paid in advance. A discount of 2.5% will be applied to any annual fees paid by 28 January 2022.
- 10 Parents are required to provide a minimum of one term's notice in writing if they choose to cancel the enrolment of their child. A term's notice is also required for changes in a student's boarding enrolment. For example, if your child will be changing from a Boarding student to a Day student.

A term is defined as a unit of academic time comprising a variable number of weeks in any given year as identified in the school calendar. There are four terms in any academic year. Notice of intention to withdraw on the last day of a term should be received by the Registrar on the first day of that same term.

A term does not include school holiday time nor is it an equivalent number of weeks that traverses two terms.

If a parent fails to provide written notice of one term, as required and outlined above, four weeks' tuition fees and if applicable, boarding charges will be charged in lieu of required notice.

Should a student's behaviour result in expulsion, both the current and four weeks' fees of next term will be payable. For example, if a student is expelled or withdrawn without appropriate notice during Term 2, fees for both Term 2 and four weeks of Term 3 will be required.
