

2024 ELECTIVE SUBJECT SELECTION – YEAR 10

Each Year 10 student will do the following subjects:

English	Career Education	Literacy
---------	------------------	----------

Now choose your preferred Mathematics subject by placing a tick in your subject of choice:

Mathematics	
Mathematical Methods	
General Mathematics	
Essential Mathematics	

Now choose one Science subject for each trimester by placing a tick in your subject of choice:

Science		
Trimester 1	Trimester 2	Trimester 3
Biology (Psychology focus)	Biology	Biology
Chemistry	Physics	Chemistry

Choose one HaSS option in each Semester by placing a tick in your subject of choice:

Humanities and Social Science (HASS)			
Semester 1		Semester 2	
Ancient History		Modern History	
Business		Legal Studies	

Now choose **FOUR** elective subjects. Order your preferences from 1 (most preferred) to 4 (least preferred). Preference 4 will be considered a reserve preference.

Other Electives	Preferences (1-4)
Agricultural Science	
Dance	
Digital Technologies	
Drama	
Food and Textiles	
Music	
Physical Education	
Spanish	
Visual Art and Design	

Please note: To be viable, subjects need to have reasonable enrolments. If you are unable to be offered your first three general elective preferences, you will be contacted for a consultative meeting.
